SUBJECT: VARIOUS ISSUES CONCERNING CONTRACTING EMPLOYEES
WHO WORKED FOR INTERNATIONAL SERVICES, INC. (ISI)

At the Board of Supervisors' meeting held September 15, 2009, the Board discussed Agenda Item No. 54-A, a motion introduced by Supervisor Molina to be placed on the Agenda of September 22, 2009 relating to the payment of contract employees who worked for International Services, Inc. During the discussion, the Board requested you to meet with the Auditor-Controller to obtain accurate information as it pertains to numbers that were presented from this particular case, and report back to the Board on the following:

- How the payment owed to those employees can be identified as a liability by the County; and
- How various contracts totaling \$2.6 million, from which requested services were allegedly not provided, could be legally written off.
